## Who Am I *Identity Word Cloud*

**Identity** is something that is developed over time. Your identity is shaped by your family, culture, experiences, beliefs, interests, hopes, dreams. It is more than the way you feel, how you act and what you think and say. With the prompts below think about what makes you, **YOU!**

- Adjectives that you would use to describe yourself
- Relationships in your life (e.g., friend, brother, daughter)
- Things you love
- Important memories, important moments
- heroes, beliefs, and special sayings or words
- Fears, Hopes or wishes

Using your **Identity Cloud** as inspiration:

**Define or describe yourself in a sentence.** (10 Words or Less)

*Ex. Teacher, full of memories that lives to challenge my imagination (JH)*

## My Bio Poem:

This is an autobiographical poem about yourself and your life. Use the word cloud and the prompts on the left to **create a poem** that describe you and your feelings. When finished, **rewrite** your **motto or saying** on a sentence strip

*Your name*  
*who loves...*  
*who hates...*  
*who wants to...?*  
*who fears...*  
*who dreams of...*  
*who is determined to...*  
*motto or saying*

### Example:

Javan "Jay" Howard  
Lover of words in rhythm, bittersweet chocolate covered thoughts  
That hates melted dreams left unknown too long in the palms of hands  
Who wants to challenge the imagination & minds of others'  
Who fears not finding the right word to express myself  
Dreams of watching the word change (or the Knicks win)  
Determined to be full of memories, collected  
because life is what you make it.
