Subscribe to TEACHERS & WRITERS Magazine!

Teachers & Writers magazine, the winner of ten Educational Press Awards for Excellence, covers contemporary issues and innovations in creative writing education, and engages writers, educators, and students in a conversation on the nature of creativity and the imagination.

RECENT ISSUES have included interviews with Edward Hirsch, Kimiko Hahn, Billy Collins, Victor Hernández Cruz, and Walter Dean Myers; articles about teaching the ode, about poets James Schuyler and Federico García Lorca, and how-to pieces on welcoming music and art into the poetry classroom.

Occasional special issues feature an in-depth look at subjects of particular interest to our readers, including, most recently, the teaching of creative writing in non-school settings such as hospitals, prisons, and juvenile detention wards.

Teachers & Writers magazine is published quarterly and is available by subscription or with a T&W membership.
