Teachers & Writers magazine, the winner of ten **Educational Press Awards for Excellence**, covers contemporary issues and innovations in creative writing education, and engages writers, educators, and students in a conversation on the nature of creativity and the imagination.

RECENT ISSUES have included interviews with **Jane Cortez, Kevin Young, Edward Hirsch, Kimiko Hahn, Billy Collins, and Victor Hernández Cruz**; articles about teaching the ode; stories about poets **James Schuyler, Federico García Lorca, and Naomi Shihab Nye**; and how-to pieces on welcoming music and art into the poetry classroom.

Occasional special issues feature an in-depth look at subjects of particular interest to our readers, including, most recently, using comics in the classroom to teach creative writing. Another special issue focused on collaboration.

Teachers & Writers magazine is published quarterly and is available by subscription or with a T&W membership.
