## Poetry Comics Online

Poetry Comics, the brainchild of poet, teacher, performance artist, writer, and illustrator Dave Morice, have had a cult following for years. Now, more than thirty years after the first poems-as-comics were published, Morice has created a website to bring his unique art form to the masses. At PoetryComicsOnline.com “poems can be seen in action as never before!” writes Morice, who “cartoonizes” poems from the classical to the contemporary. Morice, also known as Dr. Alphabet, is the author of three anthologies of poetry comics, as well as *The Adventures of Dr. Alphabet: 104 Unusual Ways to Write Poetry in the Classroom and the Community* (Teachers & Writers Collaborative, 1995), available online at Amazon.com. Visit his website at PoetryComicsOnline.com!

poetic forms is a rich resource for writers, teachers, and writers-in-the-schools. Offering seventy-six entries written by poets, the handbook “succinctly defines the forms, summarizes their histories, quotes good examples (ancient and modern, by adults and young writers), and offers professional tricks of the trade on how to use each form.” Available on Amazon.com and BN.com.
